Testimonies

"The MLE was one of the most impactful seminars I have ever attended. It put me in a safe environment where I could risk being completely transparent with my journey as a man and the larger journey within my congregation. I walked away with some incredible tools to assist me in my ministry." Pastor Tony Costa, Senior Pastor, Outside the Walls Ministries, Aurora, CO

"I attended MLE along with twenty other pastors and leaders from around the country. I arrived with high expectations-and frankly, the experience exceeded them! I found the interaction of the men to be tremendous. There is just something awesome about men sharing from their hearts, with all the laughter and tears that comes with it. That is from God! I grew tremendously from this depth of interaction." Pastor Ricci Arthur, Senior Pastor, Dresden, OH United Methodist.
